WORK EXPERIENCE

Front-End Software Engineer All-American Healthcare Services

02/2022 - 06/2023 Remote
AAHCS is the leading healthcare staffing agency in the US, leveraging technology and personalized service to fill positions for nursing professionals.

Achievements/Tasks

- Utilized JavaScript, React, HTML/CSS and other modern tools to build user interfaces and experiences used within the AAHCS AllShifts app
- Spearheaded the implementation of various new UI/UX features across the app, such as healthcare facility search bar using geocoding
- Actively lead team meetings such as SCRUM-related meetings, UI/UX brainstorming, front-end architecture planning, and technical updates to improve team processes, workflow, and cohesiveness
- Worked closely with AAHCS team and helped hiring and interviewing new crew members

Freelance Software Engineer Freelance

06/2019 - 04/2022 Remote
I developed many technical and soft skills, learned how to create a personal business, collaborated with different teams, small business, local business and startups.

Achievements/Tasks

- Built custom products for small business and startups (some are available in nickolasjoe.com)
- Designed, Figma-prototyped and developed websites, web applications, WordPress websites, e-commerces and WooCommerces
- Structured and styled web applications using HTML/CSS/SASS/JavaScript/React
- Prospected customers using Facebook Ads and Google Ads
- Drafted contracts and billings

Software Developer Porto

08/2018 - 12/2019 São Paulo, SP, Brazil
Porto is the third largest Brazilian insurance company in Brazil, offering car insurance, residential, health, life, business and consortium.

Achievements/Tasks

- Developed interactive and responsive web applications and websites for health insurance brokers
- Prototyped low/high fidelity wireframes using Figma
- Created graphics, illustrations, logos and other designs using software or by hand for multiples websites
- Created and maintained social media profiles such as Instagram, Facebook and LinkedIn
- Tracked and reported results of social media campaigns
- Created original and creative content to increase brand awareness
